Carolina FC: Excellence in Soccer

Carolina FC (CFC), a 501(c) 3 charitable organization, offers soccer instruction and competition for boys and girls, ages 5 – 18. Established in 1981, CFC is affiliated with United States Youth Soccer through the South Carolina Youth Soccer Association.

Carolina FC: Excellence in Soccer

Carolina FC (CFC), a 501(c) 3 charitable organization, offers soccer instruction and competition for boys and girls, ages 5 –18. Established in 1981, CFC is affiliated with United States Youth Soccer through the South Carolina Youth Soccer Association.

Serving the greater Spartanburg Area

CFC's comprehensive soccer training is conducted at the Carolina FC Soccer Complex. This member-supported complex opened in August 2006 and is conveniently situated near the intersection of I-85 and Hwy. 29. Players from throughout Spartanburg County as well as Greenville and Cherokee Counties train at CFC. Athletes from many area high schools (public and private) are represented, along with their middle schools and many elementary schools.

Serving South Carolina and the Southeast

The Carolina FC Soccer Complex is the site of weekend club soccer matches for teams from throughout the state of South Carolina. CFC has hosted South Carolina state tournaments, served as a venue for tournaments attracting teams from throughout the Southeast Region, used for area high school tournaments and college soccer team training.

Qualified, professional coaches

CFC's professional coaches and trainers share a common commitment to player development and must possess USSF or NSCAA certification. All are former soccer players; many are area college or high school coaches. In addition to team training, players have access to Technical, Speed and Agility, and Goal Keeper training and are trained progressively in multiple positions and formations.

Proven Success

CFC players and teams demonstrate consistent success within statewide and upstate leagues. They also proudly represent CFC on their high school teams. Club teammates become fierce rivals, elevating the excitement and quality of area high school soccer and leading area teams to state championships. Many players have gone on to play college soccer at all levels from D1 to NAIA with CFC alumni found on the rosters of USC, Lenoir-Rhyne, Anderson, SMC, UNC-Greensboro, USCU, Limestone and others.

Where kids learn more than a game

CFC players become technically and tactically skilled in the game of soccer, acquire a confident "can-do" attitude, and develop a lifelong love of sport and fitness. Many CFC players are certified USSF referees, officiating league games and tournaments throughout the state; others complete USSF certification to serve as coaches/trainers for CFC's introductory programs; and all contribute to the club as volunteers when needed. As adults, CFC players continue to support the game of soccer as players, fans, coaches, referees and the next generation of soccer moms and dads.

Carolina FC is an IRS designated 501(c) 3 charitable organization. Donations (monetary or in-kind) or sponsorships may be taken as a tax deduction in the form of a charitable contribution or as an advertising expense. Consult your accountant.

Note: 20% of ALL monetary donations or sponsorships will be directed to the Carolina FC Scholarship Fund which provides financial assistance to qualifying players. Your contribution assists in removing the financial obstacle which may prevent participation for some individuals.

Levels of Sponsorship
