Wondering what college life is really like? Come

see for yourself! The USC Upstate Open House series is designed to give you an in-depth look at the University of South Carolina Upstate. It's a great opportunity to tour the campus and find out about degree programs and student life options. You'll spend the day with other prospective students and get a chance to quiz current students about campus life.

Faculty and staff will be on hand to give you specific details on admission requirements and academic programs. Sessions are available on everything from financial aid to residential life. Open House is basically one-stop shopping designed to introduce you to everything USC Upstate has to offer!

To register, all you need to do is pick a date below and go to our Web site, www.uscupstate.edu/admissions, and click on the Open House icon (shown below). Or, you can give us a call at 864-503-5246 or 1-800-277-8727.

All events will take place in the University Readiness Center. We hope to see you soon!
